Singapore hosted one of South East Asia's leading superyacht shows on Apr. 12 to 15 at the award-winning ONE[®]15 Marina Sentosa Cove for its 2018 edition. For the eighth year in a row, the four-day Singapore Yacht Show embodies luxury lifestyle and brought together a series of world-class yachts.

Nearly half the expected 18,000 visitors arrived from around the region and

participate in the biggest display of boats and yachts in Asia. Singapore is considered to be the financial and luxury hub of Southeast Asia, and perfectly located to tap into the Indonesian, Malaysian and Chinese markets.

The show consistently presents more regional premieres than any other show in the region. Glamorous parties and an enviable range

of prestige products and brands, including supercars, fine dining, and timepieces, make Singapore Yacht Show a firm fixture in the region's social calendar. The calibre of the local industry players and leading international brands showcasing their products at Singapore Yacht Show, continue to reinforce Singapore's position as the 'Monaco of the East'.

Exhibitors include Feadship, Lurssen, Fincantieri, Benetti, Gulf Craft, Amels, Heesen, Westport, Burgess, Camper & Nicholson's, Y.CO, Princess Yachts, Ferretti Group, Azimut, Boat Lagoon Yachting, Simpson Marine, Beneteau, Hong Seh Marine, Multihull Solutions, Leopard, Reel Torque, Sunreef, Lee Marine, SG Boating, ProMarine, and newcomer to the region, Nautical Habitat.
