The Singapore Yacht Show returns for its eighth edition, with an expanding line-up of the world's most prestigious superyachts and boating brands, along with a social calendar replete with glamorous parties, networking events and high-end entertainment.

Companies such as Boat Lagoon Yachting, Simpson Marine, Hong Seh Marine, Azimut, ProMarine, and Multihull Solutions will be unveiling new models of yachts, some up to 30m long.

On the social front, there will be wellness workshops, sommelier-led craft beer and wine tastings, and also a gala dinner at W Singapore.

**Singapore Yacht Show is on from April 12 to 15 at ONE°15 Marina Sentosa Cove.**
